www.dogcommunity.net

Dog community is a group of dog fanciers from Az. Our overall goal is to help people surround themselves with other knowledgeable dog people, promote the sport, and to help handlers correctly present and win with their own dogs. We set up this event in order to offer our students and the community in general the opportunity to practice with their dogs facing exactly the same situation that they will in a formal dog show. For more information about our activities please visit www.dogcommunity.net
